

**Dear
Membership number:**

Access **Psychology of Music** online now!

SAGE is delighted to announce that we have arranged for SEMPRES members to access the electronic version of **Psychology of Music** free online as a benefit of SEMPRES membership. This access is exclusively available to SEMPRES members through SAGE Journals Online and is applicable to all online content available. To access the electronic version of the journal:

1. Go to the **Psychology of Music** site at <http://pom.sagepub.com>
2. For first time users, click on <https://online.sagepub.com/cgi/activate/basic>
3. You will be prompted to enter your member number and select the society from a pull down menu
4. After you enter your membership number (xxxx), select SEMPRES as your society, and click "Submit" just follow the simple instructions on the screen. Activation takes just a few minutes; you need only activate once!
5. Once complete, return to the electronic journal homepage and select the journal cover for access to the current issue or click "Current Issue."
6. To select an issue from the archive, click "Select an Issue from the Archive," located in the middle of the screen
7. To search for articles, either click "Search for Articles" or use the quick search located at the bottom of the screen.

To activate your account, you will create a username and password to use when returning to the site. If you forget your username or password, go to the "subscriptions" link on the left side of the page and look for the link "What to do if you forget your User Name and/or Password." You will be asked to provide some information about yourself. Upon confirmation of the information, the username and password will be emailed to you. If you require technical assistance, please contact the SAGE Journals Online technical assistance located on the top of the web page under "contact us."

Please remember this access is exclusively available to you as a benefit of membership of SEMPRES. Please protect your username and password and do not share it with others.

We hope you will find this online access useful in your research and that the extensive searching functionality will help you locate articles of interest quickly. Do sign up for Table of Contents alerts to ensure you are aware of what is coming up in each issue.
